

Peebles Post *December 2020*

Christmas!

Well, we've made it to Christmas! It has been lovely to be able to teach many of you face to face again. Of course, some of you are continuing to learn online but I hope we will be able to get together before too long.

Another Video!

Our second video concert has now gone live! It was lovely to receive your videos - I know how hard it is to make these recordings at home without any accompaniment to help you. There are some great performances there and I hope you all enjoy the music.

Web Pages

As the string players will know, I shared a preview of the video on my web page <https://sheilarichardsmusic.com/teaching>, and also on my new Facebook page <https://www.facebook.com/PeeblesPost>. If any of you are on Facebook and feel like offering some support, it would be very nice. I will have a handful of slots available in January so it would be nice to be a bit more visible...

East Midlands Recorder Orchestra

The orchestra are still unable to meet to rehearse but they too have managed to put together a second short video which

you can see here

Name That Tune!

See how many of these popular Christmas songs you can name from just the first few bars...

Artists?

For the artists amongst you I have attached a violin for you to decorate - or better still, design your own! I'd love to see them.

Reminder

Lesson fees remain at £12 for 30 minutes, £17 for 45 minutes or £25 for an hour but please remember that **lessons cancelled will need to be paid for**. I will try to re-schedule a lesson but this may not always be possible. If you pay weekly, it would be really helpful to me if you could make the payment on or before the day of the lesson - and please give the lesson date as a reference.

Stay Safe - & Happy Music-Making!
